President's Letter; Charlotte Wells

What kind of stitcher are you? My theory is that there are two kinds: product oriented and process oriented with many variations in between. Some of my stitching friends want to finish that project so they can go on to the next. Me, I enjoy the process; learning new stitches and watching the flowers bloom along the way. Fortunately, at Saguaro Stitchers, there is room for all of us.

I am so grateful for the wonderful leadership we have had in the past. Alice Hall has been a good president and all the out-going officers have contributed to the strong, well-organized club we enjoy. I hope, and I am sure I am joined in this by the other members of the team, that we continue to build on the past and continue to offer an environment that stitchers will enjoy into the future.

The 2018 team includes the following as voting member of the board: Charlotte Wells, President; Alice Hall, Vice-President for Programs; Sunny Yocum, Treasurer; La Verne Walters, Secretary; Jan Prestin, Asst. Secretary/Treasurer. We are joined by non-voting members: Nita Rosemann as newsletter editor, Karen Willett as webmistress, Ann Grootegoed and Carmen Puckett as co-chairs of the sunshine committee, Sandi Van Winkle as visiting teacher committee chairperson. This latter group may be joined by invited others and any other committee chairperson.

Please don't forget the new location at the Fellowship Hall at Faith Lutheran Church, 801 E Camelback Road located at the corner of 8th Street and Camelback Road in Phoenix. Our first meeting of the year is on January 18 at 10:30 AM with a board meeting planned for 9:30AM. There is parking at the back, most convenient to the fellowship hall but there is overflow parking nearby. There are signs. Don't forget to invite any of your stitching friends to join us.

In Alice's last newsletter we mentioned the upcoming Embroiders Guild of America National Exhibit, Through the Needle's Eye, at the Gilbert Historical Museum to run from April 3 to May 12. I have included this as an item for discussion at our January meeting at which time we will have additional information. Starlight Stitchers will be handling the coordination but they will need some assistance. Volunteers will be welcome. I know we will all be interested in the exhibit.

Creative Stitchers of Sun City West will be exhibiting members' work for the first time in three years so there will be quite a lot to see. The show will be at Palm Ridge Center, 13800 Deer Valley Drive, Sun City West, on March 5, 2018, from 9AM to 3PM. Visitors will be most welcome.

I know I am looking forward to the Keukenhof Tulip Gardens class March 2 and 3 and, indeed, to all the programs planned for this year.

Happy stitching, Charlotte

PROGRAMS; Alice Hall

Reminder: The board has agreed that we can have ghosts for the program classes. The ghost program will work as follows: If there is a program you would like to take and are unable to attend that meeting, you or a friend can sign you up. At the meeting when that program will be held, you or a friend will pick up your program (chart). There may be an occasion when a chart has a copyright and we are only able to use it for those who attend the class in person.

January 18th

You will make a needle grabber with a beaded end. Bring a beading needle, regular supplies and a light if you need it. This is a quickie project. We would like you to bring your unfinished name tag. Or bring that project that you are having trouble with, the one that you can't figure out the stitch on, the one you want to change or add something to. We will help with any stitching questions. Bri

February 15th

We will be stitching a Laura Perin square to be made into a triangle ornament. Signup sheet at January meeting, you can also call or email me to sign up. There are only four threads used; Watercolor, Pearl 5, Neon Rays Plus and Kreinik #12. Materials used in the model will be sent after the January meeting.

March 15th

Turning a needlepoint square into a triangle ornament. You can bring the square from February class or any other needlepoint 3 inch to 6 inch square. You will need to stitch a backstitch over 2 canvas threads around the square, do this in one of the threads used in the stitching, this will be our finishing thread. There should be two blank canvas threads between the stitched area and the backstitch line. Other materials needed will be sent out after the February meeting.

April 19th

Quick and easy finishing a round ornament on metal rounds. Bring a stitched 3 inch or 4 inch round ornament, 8 inch square of matching fabric, 20 inches of cord or gimp, sewing thread, white felt for padding, and hot glue gun. More details to follow. *May 17th*

Design from 2017/8 Project book. There 5 designs that we should consider doing. They are Pat Mazu stocking; Stain Glass square by Carol Higginbotham; Herringbone Variations by Marilyn Owen; Flutterby by Kurdy Biggs; or Starburst Garden by Carolyn Mitchell. Pictures at meetings.

June 21st - To Be Determined.

Please let me know if there are other types of classes you would like to have.

Classes being considered are Blackwork, Hardanger, and Stump work among other techniques, along with types of finishing that you can do at home.

Saguaro Stitcher's Finished Projects

Not everyone can make our monthly meetings. Following are some finished canvases from November.

NEWSLETTER, Nita Rosemann, editor

I would like to introduce myself as the current newsletter editor.

I am Anita (Nita please) Rosemann and I have been a member of Saguaro Stitchers for about six months. I have found that the best way to get to know members in a group is to become active, so I have taken on this role. Whew! With the assistance of Barbara Shaw this will hopefully be a smooth transition.

My apologies for getting this newsletter out so late in January. Now that I have a better idea of what I am supposed to do, the March newsletter will be sent the end of February.

Although I have done newsletters for other organizations, I am very open to suggestions on formatting, layout, or anything you think would make the newsletter more enjoyable and easy to read. Please do not hesitate to contact me at newsletter@saguarostitchers.org

If you are not able to make it to the meetings and have a finished project that you would like to share, please be certain to send a photo along with your thoughts about the piece (difficulties, changes you made, what you learned, etc.). Nita
